

## **G. Oxley Construction**

### Description:

Building a custom home is a personal experience and from the moment of conception, we at G. Oxley Construction strive to make that experience one to be cherished forever. Our attention to detail and promptness is one of the many qualities we are very proud of. Our master planned mountain top community "The FootHills" is something you must visit while in Lake Havasu City Arizona.

Select one of our pre-designed models, or go beyond the ordinary and let us build the custom home of your dreams. Live the Havasu FootHills Lifestyle in Lake Havasu City Arizona, more than just the home of the World Famous London Bridge.
